Battle for Chamundeshwari - 2018

CM, ex-CM hold Road Shows

Both Siddharamaiah (Congress) and G.T. Devegowda (JD-S) to file nominations on Apr.20

Mysuru, Apr.16 (MTY&DM)- Even as his political foe H.D. Kumaraswamy (HDK), State JD(S) President and former Chief Minister, is winding up his second leg of poll campaign in Chamundeshwari Constituency tonight, Chief Minister Siddharamaiah hit the campaign trail for the second time this morning in the Constituency from where he is contesting.

With the CM contesting from the Congress in Chamundeshwari, the high voltage campaign in the Assembly segment, which is witnessing a keen battle between Siddharamaiah and sitting JD(S) MLA G.T. Devegowda, has gained traction.

On his arrival at Mysore Airport in Mandakalli by a special flight from Bengaluru this morning, the CM first visited Lingambudhipalya where he was accorded a warm welcome by the villagers, who burst fire-crackers and showered flowers on him.

The CM's next destination is Srirampura from where he will visit 16 more villages falling under the Constituency, which include Parasayyanahundi, Gorur, Koppaluru, Hosahundi, Uttanahalli and Alanahalli.

The CM is scheduled to continue his campaign trail tomorrow also in order to cover as many villages as possible. Siddharamaiah will campaign in Varuna Constituency, from where his son Dr. Yathindra is contesting on a Congress ticket, on Wednesday and Thursday. The CM will file his nomination papers from Chamundeshwari seat on Apr.20 (Friday).

Noisy Nation

Verbal exchanges in anger without helping to understand the issue in question and also the views of either party on the matter is the order of the day and common sight everywhere in the land prompting one to recollect the idiom *more heat than light*. Men often take fascination to cite the case of women come to the public tap for collecting the family's daily need of water and engaging themselves in angry verbal exchange, giving the onlookers their share of morning entertainment, forgetting that the females of the species strain themselves to sustain the hearth at home to feed the family. The Nation's Parliament has just witnessed a scene lasting for 23 days, the players being mostly, if not all men, that may need to modify the idiom to *only heat and no light*, offering some solace to women. The scene is no different in the open spaces at any location in the land's different regions, with the difference of noise generated by the diaspora being only in its decibel levels, apart from the spoken words.

Thanks to the growing mismatch between the various *resources* supporting life of people and their *availability* in adequate measure, the principle of *might is right* ruling the society has led to inter-State conflicts and confrontation, helping petty-minded politicos to generate more heat than light as it were in public space all over the land, including Karnataka.

Amidst the over-riding feature of fouling rivers, lakes, air and soil across the country, noise pollution, particularly in urban areas, doesn't seem to have received the attention it merits in spite of the loudness of honking by motorists even in silent zones near hospitals, setting off high-sounding fireworks, blaring film songs on public address systems beyond stipulated hours, beating drums on occasions celebrating birth anniversaries of past persons, particularly saints and sages who would not have approved the manner of celebration. The activists of political parties and their leaders have taken the citizens for granted by staging their noisy road shows on eve of announcing poll schedules by the Central Election Commission.

Lastly, the land's people are both players and victims of the noise associated with the celebration of festivals of various faiths, cults and creeds witnessing devotion and sentiment getting stumped by noise first and littering the venue later. The noise across the land is only tending to be deafening beyond bearable limits.

Plea to KSRTC to ply buses to Hebbal industrial area

Sir,

Even though there are a lot of buses from CBS to Hebbal industrial area, it is not beneficial to the commuters at present as the timings are not suitable.

Since more people travel from Railway Station and Suburban Bus Stand to Hebbal industrial area it will be helpful if KSRTC plies buses between 5 am and 9am in a gap of 10 minutes and in the evening from 5 pm to 8pm when factory workers travel.

During evening hours after 6.15, people need to wait for more than half an hour. The minimum time taken by Volvo buses to reach from Suburb to Hebbal industrial area is 45 minutes which is very long. Also we can experience the reduction of Volvo buses during peak hours and sometimes we can see 2 to 3 buses in a gap of 3 minutes and later no buses for more than 20 minutes.

For people working in factories every minute is important due to biometric punching. Some time buses stand near hotels for coffee which will affect the working class. Hope these issues will be resolved as early as possible for the benefit of tax-paying public.

Suggestion: Ply alternate buses by eliminating routes from Hebbal Choultry to Laxmikanthnagar which saves 10 to 15 minutes of travel time. Provide buses via Lakshmi theatre - Ramaswamy Circle to Infosys and L&T.

CM to contest from only one seat

Bengaluru, Apr.16- After nearly a week of hectic parleying, the Congress on Sunday night, announced its candidates for 218 Assembly seats for the May 12 polls. The party also ended much speculation about the Chief Minister contesting in two seats, by fielding CM Siddharamaiah from only Chamundeshwari in Mysuru and KPCC President Dr. G. Parameshwara from Koratagere (SC) in Tumakuru district. The CM's son Dr. Yathindra Siddharamaiah will contest from Varuna in Mysuru district.

The Congress has not named candidates for six seats — Shantinagar in Bengaluru, Melukote, Kittur in Belagavi, Raichur Urban, Nagathana and Sindhgi in Vijayapura district. However in Melukote, the Congress has decided to support Darshan Puttannaiah, son of farmer leader and late MLA K.S. Puttannaiah, who is contesting from Karnataka Sarvodaya Party.

The party list which was expected to come out on Friday itself, was delayed reportedly due to the tussle among senior leaders — CM Siddharamaiah, KPCC President Dr. G. Parameshwara, Congress leader in Lok Sabha Mallikarjun Kharge and MP and former CM Veerappa Moily. However, the CM Managed to prevail upon the party top leadership and ensured tickets to all new entrants to the party, including seven rebel JD(S) MLAs and Independents.

Controversial businessman-tuned politician Ashok Kheny, who is also NICE Chairman, also got the seat from Bidar (South), which he currently represents, despite stiff opposition from many leaders of that region. Senior Congress leaders in the list include Ministers Kagodu Thimmappa, D.K. Shivakumar, K.J. George and M.B. Patil, Speaker K.B. Koliwad and Congress Working Presidents Dinesh Gundu Rao & S.R. Patil.

More women, youth in list

The Congress has fielded more women candidates for the May 12 polls, while budding leaders from the party's youth and student's wings have also been chosen to test electoral waters. The list has 15 women candidates, five more than what the party had fielded in the previous Assembly elections. The party has also picked a few NSUI and Youth Congress leaders for the electoral battle.

Chief Minister Siddharamaiah [Chamundeshwari]

CM Siddharamaiah's plan to contest from two seats was shot down by the Party High Command. AICC President Rahul Gandhi is believed to have said that contesting from two seats would send out a signal that the CM was not confident of winning from Chamundeshwari, his home district. It is also said that senior party leaders Mallikarjun Kharge, Dr. M. Veerappa Moily and K. Rahman Khan opposed Siddharamaiah's intention to contest from Badami in Bagalkot. These leaders are reported to have cited S.M. Krishna's case (contested from Maddur in 1999 and Chamarajpet in 2004) while arguing that contesting from two Constituencies by the Chief Minister would send out a wrong message to the electorate.

Kin of top leaders to contest

The Congress has accommodated kin of a few top leaders. Prominent among them are the CM' son Dr. Yathindra in Varuna, Home Minister Ramalinga Reddy's daughter Soumya Reddy in Jayanagar, Bengaluru, former Union Minister K.H. Muniyappa's daughter Roopa Sashidhar in KGF, Law Minister T.B. Jayachandra's son Santhosh in Chikkanayakanahalli, Tumakuru and Energy Minister D.K. Shivakumar's kin Dr. H.D. Ranganath, an orthopaedic surgeon, in Kunigal, Tumakuru.

In Kodagu, the Madikeri Assembly ticket has gone to H.S. Chandramouli, a State Public Prosecutor, for which AICC Spokesperson Brijesh Kalappa was a contender. The Virajpet ticket has been given to former MLC Arun Machaiah.

This apart, the party has given tickets to widows of two MLAs — Fathima, wife of late Qamarul Islam (Kalaburagi North) and Keerthana, wife of late Y.N. Rudresh Gowda (Belur).

Ex-Bureaucrats too in the fray

Former BBMP Commissioner Siddhaiah has been fielded from Sakaleshpur (SC) and former IAS officer Syed Zammer Pasha is the party nominee from Kolar.

State Government Employees Union President B.P. Manjegowda, who quit service recently to enter politics, has been fielded from Holenarasipur to take on H.D. Revanna of JD(S).

Dr. H.C. Mahadevappa fails to get ticket for his son

The plans of CM Siddharamaiah's close aide and Mysuru District Minister Dr. H.C. Mahadevappa to get a ticket for his son Sunil Bose from T.Narasipur has been spiked.

Dr. Mahadevappa, who wanted to contest from C.V. Raman Nagar (SC) seat in Bengaluru and leave his home Constituency T.Narasipur to his son Sunil Bose, will now himself has to contest from T.Narasipur, as the party High Command turned down his demand. Bengaluru Mayor Sampath Raj has been given the party ticket to contest from C.V. Raman Nagar.

12 sitting MLAs denied ticket

Twelve incumbent MLAs have been denied ticket by the Congress. They are N.Y. Gopalakrishna (Ballari Rural), B.B. Chimmanakatti (Badami), Maqbool S. Bagavan (Vijayapura City), K. Shivamurthy Naik (Mayakonda), Manohar Tahsildar (Hanagal), G. Ramakrishna (Kalaburagi Rural), Basavaraj N. Shivannavar (Byadagi), H.P. Rajesh (Jagalur), B.M. Nagaraj (Sirguppa), G.S. Srinivas (Tarikere), K. Shadakshari (Tiptur) and S. Jayanna (Kollegal).

In Kalaburgi Rural (SC) Constituency, Vijayakumar, son of sitting MLA Ramakrishna, has been given the ticket. Byrathi Suresh, brother of sitting K.R. Puram Congress MLA B.S. Basavaraj, has been given the ticket from Hebbal, Father-son sitting MLAs, who have succeeded in getting the party ticket are S.S. Mallikarjuna and his father Shyamanuru Shivashankarappa, fighting in the two Constituencies from Davangere and Minister M. Krishnappa and his son Priya Krishna, from Vijayanagar and Govindarajanagar respectively in Bengaluru.

While Shyamanuru Shiva-shankarappa, 86, is the oldest Congress candidate in the fray, 28-year-old H.S. Manjunath Gowda, who is contesting from Mahalakshmi Layout in Bengaluru, is the youngest. Gowda is the State NSUI President.

The Congress has given 15 tickets to Muslims in its list of 218 candidates, which also features two Christian candidates. This is lesser when compared to 2013, when the party gave 19 seats. Peeved over ticket share to the Community, Muslim leaders of the party are likely to meet AICC President Rahul Gandhi on Monday and take up the issue.

Pending

Among tainted candidates, former Minister H.Y. Meti, who landed in a row over a sex CD, has been fielded from Bagalkot, while the Shantinagar seat in Bengaluru, whose sitting MLA N.A. Haris' son was involved in a pub brawl is kept pending.

11 seats to party hoppers

The Congress has given tickets to 11 party hoppers M.Y. Patil (Afzalpur), Ashok Kheny (Bidar South), Anand Singh (Vijayanagara-Hospete), B. Nagendra (Ballari), Iqbal Ansari (Gangavati), Bhima Naik (Hagari Bommanahalli), Akhanda Srinivas Murthy (Pulakeshinagar), B.Z. Zammer Ahmed Khan (Chamarajpet), H.C. Balakrishna (Magadi), Ramesh Babu Bandi Siddegowda (Srirangapatna and Cheluvarayaswamy (Nagamangala), the last seven being JD(S) rebel MLAs who joined the Congress recently.

Solutions to stop foul smell at Kukkarahalli Lake

Mysuru, Apr.16-The foul smell is once again emanating from the north bund of Kukkarahalli Lake on Hunsur Road creating problems for walkers. The only solution to prevent the foul smell is the use of Optimum Release of Sterile Ions (ORSI).

In an official letter to the University of Mysore In-charge Vice Chancellor Prof.C. Basavaraju, Non-official Member, Karnataka Lake Protection and Development Authority, Prof. K.M. Jayaramaiah has suggested that ORSI must be used to stop the foul smell and the underground drain pipe near the Senate Bhavan must be changed.

"As the summer season is here, the growth of blue green algae increases and once it grows it will not have sufficient food. Thus it starts emanating foul smell. Hence, one of the solutions is to spray the area with ORSI to prevent the growth of algae and foul smell," he said.

The underground drain pipe that runs from Manasagangothri Students Hostel is just of six inch thickness and whenever it breaks the sewage water flows into Kukkarahalli Lake.

Though the Mysuru City Corporation (MCC) has repaired the pipe several times it has not helped. Hence, a 300 mm pipe must be installed, he said.

Enhancing Fortunes

Attracting wealth and richness is one of the many possibilities when Feng Shui is implemented in a systematic manner. Ushering in prosperity is not just wishing for wealth luck but seeking overall goodness and happiness. From the ancient times, Traditional Feng Shui masters have decoded the universal energies and evolved many simple yet powerful methods to harness the nature's energies to support the human aspirations.

With proper Feng Shui design and placement, one can achieve a lot of prosperity. However, when it is further empowered with appropriate Feng Shui symbolisms, the cumulative effect is extremely positive. Creating good Feng Shui, does not bring you wealth if the person does not work towards it, however, gives the necessary support to aspire for wealth and good fortune. The home or office exudes with energy for the right environment that will strengthen and attract the good Feng Shui energies.

Traditional Feng Shui masters used to follow the method of creating positive intention by creating what was known as a "wealth vase" during the beginning of the Chinese New Year by choosing an auspicious date and time which was said to usher in wealth luck through the year. The history of the wealth vase is complex however its making and symbols have many relevance and deeper meaning. In Feng Shui applications, the wealth vase is used as an abundance cure to help you attract and strengthen the flow of wealth and prosperity energy in your home or office. However, as creating a traditional wealth vase is time consuming and calls for proper preparation, easier method would be to adapt potent symbols as wealth enhancers.

Feng Shui coins are popular symbolisms to enhance wealth luck. The most common use of Chinese coins in Feng Shui is for activating money luck. You can either carry three coins in your wallet or you can hang it with a red ribbon or tassel on the wall. There are many simple and easy Feng Shui symbolisms and remedies which can be adapted for strong Wealth Chi.

• To draw in good energy, primarily the focus should be to ensure a clutter-free space. A cluttered space cannot either attract, or keep the energy of wealth.

• Citrine crystal is long known for attracting wealth, so it is often used in Feng Shui wealth activation. Displaying a citrine gem tree would be a good Feng Shui symbolism.

• Ensure that the energy flow in your home and office is strong and positive; combining powerful wealth symbolism with good flow of energy empowers energy of wealth and abundance.

• Ensure that you have a strong and auspicious main door. Make it more potent with Feng Shui symbols of protection, abundance & wealth luck.

• Images of green woods, forests or vibrant green leaves, trees, grass, etc. will bring the wood element energy in Feng Shui. Even images of natural landscapes with interesting landscapes are potent energisers.

• Fountains, aquariums or images of flowing water are also very good, as water is a symbol of wealth. Water images with plenty of foam and open views are especially powerful as Feng Shui wealth symbols.

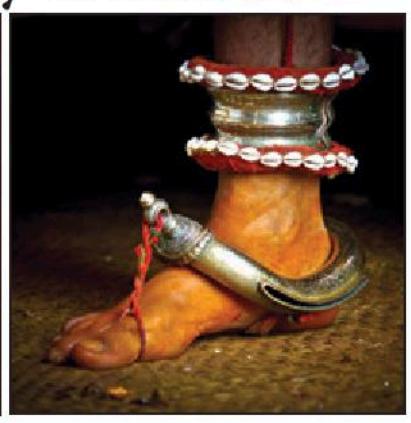
Chilambu, male anklet from Kerala on display at IGRMS



Mysuru, Apr.16- Indira Gandhi Rashtriya Manav Sangrahalaya (IGRMS), Southern Regional Centre (SRC), Mysuru, has displayed Chilambu, a ritual male anklet from Kerala, at the Wellington House, Irwin Road here in continuation of its Exhibit of the Month Series. The expo, inaugurated by IGRMS Officer-In-Charge J. Vijay Mohan on Apr.11, will be open from 10 am to 6 pm. [Ph: 0821-2448231]. Chilambu, also known as Kalchilambu, will be displayed throughout this Month.

Chilambu is a pair of hollow circular rings of silver with some beads inside. The ritualistic dancers wear them to create a rhythmical sound effect. It is a pair of foot ornament having an oval-shape or a brass anklet known as "Chilambu" usually worn by the tribal dancers in South India, mainly Kerala. They use the anklets for Theyyam Dance performances. It has small beads inside, which make a pleasant sound.

This object was collected from Kozhikode, Kerala, during a workshop by IGRMS, Bhopal.

Theyyam Dance: Theyyam, which is also known as 'Kaliyattam' or 'Thirayattam,' is celebrated each year with pomp and rigour. There are various forms of Theyyam and each can be distinguished through the use of facial make-up, captivating headgear, distinct colourful costume, body decoration with natural resources, and unique ornaments. Most variations of Theyyam are performed by men.

Theyyam is an 800-year-old celebration of divinity and devotion in Northern Malabar region of Kerala. It is a most visually impressive form of cultural enthusiasm among the people of different castes. With its root steeped in the age-old Dravidian culture of South India, Theyyam is a mélange of dance, drama, music and mime. Though it has become a tribal festivity, the subject of performance is the glory of divine heroes and ancestral spirits. The ceremonious dance is accompanied by the chorus of such musical instruments as Chenda, Elathalam, Kurumkuzhal and Veekku Chenda.

Alumni Association urges for permanent VC to Mysore Varsity

Mysuru, Apr.16- The members of the University of Mysore Alumni Association (UMAA) have urged for the appointment of a permanent Vice-Chancellor (VC) to the century-old University of Mysore.

The members made this demand at the Annual General Body meeting of the Alumni Association held at the Crawford Hall recently.

The members unanimously passed a resolution to this effect urging the Governor, who is also the Chancellor of Universities and the State Government to appoint a permanent Vice-Chancellor at the earliest.

"No work is being done in the University since the last 15 months after the tenure of Vice-Chancellor Prof. K.S. Rangappa ended. It is being run only by the in-charge Vice-Chancellors, thus affecting the working of the University as no important decisions can be taken by them. The University has seen many stalwarts who occupied the chair of the Vice-Chancellor right from 1916 when the University was founded. The research and development activities of the University has come to a standstill. Hence, in the interest of the students teaching and non-teaching staff, a permanent Vice-Chancellor must be appointed at the earliest," said the resolution.

A new team of Executive Committee was also elected at the meeting, who will in turn elect the office-bearers.

University of Mysore in-charge Vice-Chancellor Prof. C. Basavaraju, UMAA President K. Arakesh and nearly 50 members of UMAA attended the meeting.

HDK to conclude campaigning at Chamundeshwari tonight

Mysuru, Apr. 16 (RK&DM)- State JD(S) President and former Chief Minister H.D. Kumaraswamy, who launched his three-day second round of Road Show in Chamundeshwari constituency on April. 14, began his last day of the campaign from Hootagalli on the outskirts of the city this morning.

Even as Kumaraswamy arrived on his customised campaign vehicle at Hootagalli on Mysuru-Hunsur Road at about 11am, thousands of people, who had gathered, cheered him and showered flowers on him. As the huge crowd converged on the Road, traffic movement on the ever busy Mysuru-Hunsur Road was badly affected for some time.

The JD(S) leader later went to Belavadi where he addressed a huge gathering at Maramma Circle along with Chamundeshwari candidate G. T. Devegowda, who will file his nomination on Apr.20.

Appealing the voters to throw out the corrupt Congress Government, he said that if voted to power, the JD(S) will give top priority for addressing burning issues such as farm crisis and unemployment.

HDK is expected to cover over 30 villages, most of them in Yelwal Hobli, before concluding his campaign tonight.

CM, ex-CM hold Road Shows

(Continued from page 1)

Earlier, speaking to press persons at Mandakalli Airport, Siddharamaiah, who was accompanied by District Minister Dr. H.C. Mahadevappa, lashed out at State JD(S) President Kumaraswamy's remark that the CM's numerous campaigns in the Constituency won't work as he (CM) will be defeated.

Wondering whether Kumaraswamy had votes in his pocket to make such a remark, the CM reminded the former CM that it is the people who would make the ultimate choice in a democratic set up.

Replying to a question on whether he had planned to contest from another seat, Siddharamaiah asserted that he had nowhere said he would contest from another seat other than Chamundeshwari and reports on his contesting from Badami were mere speculations.

MP R. Dhruvanarayan, MLC R. Dharmasena, City Congress President R. Murthy, District President Dr. B.J. Vijayakumar, KEA Chairman B. Siddaraju, leaders A.R. Krishnamurthy, Manjula Manasa and others were present.

Riding on Samson's 45-ball-92, Rajasthan Royals posted a competitive 217 for 4 on a batting belter and then managed to restrict the home team to 198 for 6, earning their second victory in three games.

RCB, on the other hand, slumped to their second defeat in three games despite skipper Virat Kohli (57 off 30 balls)'s first half-century of this edition. It was 'local boy' Shreyas Gopal who removed a rampaging Kohli in the 11th over to turn the match decisively in his team's favour. Kohli's pull shot was taken at deep mid-wicket by Darcy Short, who timed his jump to perfection.

KXIP BEAT CSK

Kings XI Punjab (KXIP) defeated Chennai Super Kings (CSK) by four runs on Sunday to end southern outfit's winning run in the IPL. Put in to bat, Punjab wasted their solid start but managed to post a challenging total of 197/7.

In reply, Chennai batters failed. Apart from Ambati Rayudu (49) and skipper Mahendra Singh Dhoni (79 not out), no other batsmen seemed comfortable in-front of Punjab's bowlers and went cheaply to lose the game.

Big names like Shane Watson (11), Murali Vijay (12), Sam Billings (9) and Ravindra Jadeja (19) failed to score handsomely in a big run chase.

Towards the end, Dhoni tried to pull off the things single-handedly but failed and his 44-ball unbeaten innings went in vain.

For Punjab, Andrew Tye scalped two wickets.

Earlier, KXIP failed to make the most of the flying start given by openers Chris Gayle and Lokesh Rahul and settled for 197/7.

Farmers demand release of water to VC Canal

Mandya, Apr.16(US)- Police took farmers and BJP activists who were protesting in the town yesterday into custody.

The protest led by farmer leader and BJP aspirant from Srirangapatna K.S. Nanjundegowda near Visvesvaraya Circle on Bengaluru-Mysuru road was aimed against the officials for stopping water discharge to VC Canal from KRS reservoir.

In the context of low water level at KRS reservoir, the water discharge to the canal was stopped yesterday which has enraged the farmers to stage a flash stir.

They alleged that the government had assured to feed the canal till Apr. 23 but stopped the water discharge just four days after commencement.

The flash stir threw the vehicular movement on the road out of gear. When Police tried to prevent the stir under Poll Code of Conduct, a verbal clash began between the Police and the farmers.

When the situation was heading towards a flash point, Police took over 80 protestors into their custody and whisked them away in a bus.

WORD OF THE DAY

Reify

Pronunciation: RAY-uh-fye (verb).

Meaning: To consider or represent (something abstract) as a material or concrete thing: to give definite content and form to (a concept or idea).

Origin: Reify is a word that attempts to provide a bridge between what is abstract and what is real. Fittingly, it derives from a word that is an ancestor to real—the Latin noun, meaning "thing." Both reify and the related noun reification first appeared in English in the mid-19th century. Each word combines the Latin res with an English suffix (-fy and -fication, respectively) that is derived from the Latin -ficare, meaning "to make." In general use, the words refer to the act of considering or presenting an abstract idea in real or material terms, or of judging something by a concrete example.

THE ODD WORD

Veld

A grassland, especially of Southern Africa, usually with scattered shrubs or trees.

PHRASE OF THE DAY

Birds of a feather flock together

Meaning: Those of similar taste congregate in groups.

Origin: This phrase has been in use since at least the mid 16th century. In 1545 William Turner used a version of it in his papist satire The Rescuing of Romish Fox: "Byrdes of on kynde and color flok and flye allwayes together." The first known citation in print of the currently used English version of the phrase appeared in 1599, in The Dictionarie in Spanish and English, which was compiled by the English lexicographer John Minsheu: Birdes of a feather will flocke together.

The phrase also appears in Benjamin Jowett's 1856 translation of Plato's Republic. Clearly, if it were present in the original Greek text then, at around 380BC, Plato's work would be a much earlier reference to it. What appears in Jowett's version is: Men of my age flock together; we are birds of a feather, as the old proverb says. Plato's text can be translated in other ways and it is safe to say it was Jowett in 1856, not Plato in 380BC, that considered the phrase to be old. The lack of any citation of it in English prior to the 16th century does tend to suggest that its literal translation wasn't present in The Republic - a text that was widely read by English scholars of the classics well before the 16th century. Birds of a feather In nature, birds of a single species do in fact frequently form flocks. Ornithologists explain this behaviour as a 'safety in numbers' tactic to reduce the risk of predation.
